The AMAC HOH Team, Gary, Darrell and George have been working hard to organize the Hoods On Horton show this year.

They are looking for volunteers, so watch your club emails for information, and sign up to help!

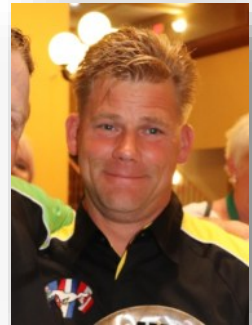

This is a great show for a great cause so make to sure to mark your calendars!

Please wear your RED club shirts!

President's report A.K.A.

The Thomson Tribune

Summer, summer, summer! Yay, it's finally here Legends! Although the days are getting noticeably shorter already, the heat is upon us, and the rain has finally settled. Although, paying to have to water our grass is not desirable, but perhaps offset from having to wash the car as much? Haha,

Massive shout out to everyone on another successful Presidential! The weather was incredible and we had 124 cars officially registered for the 42nd version of our premiere event of the summer. Like I have mentioned numerous times in the past, these events could **NOT** happen if it wasn't for the combined efforts of our Sponsors, Volunteers and for those that bring their cars out for the day to celebrate it! And for that, we sincerely thank you all!

In addition to the Top Ten cars off the day, we had several categories of awards for some very deserving cars, including best paint/wrap, best interior, Who needs a V8, or the most likely to get a speeding ticket, some fun unique categories I feel. The Best in Show went to Justin Moss in his 1964 Falcon Futura, stunning car, and a delight to see.

This year's recipient of the very prestigious Larry Lucas, or the favourite AMAC club car went to

Gary Foster in his 2016 Mustang GT, Sally. Well done sir, and congrats!

The "Teddy" or Bill Saddington award for AMAC's most valuable volunteer was also presented at the Presidential, with the honors going to Greg Rau for all the work he has done behind the scenes in our annual World of Wheels campaign and display, not only in 2026, but many years previously. Congratulations Greg! For those that are newer to AMAC, the Teddy is awarded to a member who is not part of the executive team and went above and beyond volunteering to ensure a successful event or series of events for all our members to enjoy. This annual memorial award trophy has been given out for many years and there are some very notable names on its base. Who's going to be the recipient for 2027? I'm excited to find out!

We instituted an electronic registration and voting system this year, and it was a total success. There were a couple of small bugs that crept in, as we all expected, but were able to adapt on the fly, and correct for the future. There will also be some extra features that will totally enhance both the users and attendees' experience in future versions! Hats off to Lance Tschritter

and his IT work that brought this vision to fruition!

As always, we would love to hear all your thoughts regarding the Presidential, including complaints, concerns, or compliments plus any ideas or things you would like to see in future versions. You can contact anyone on our executive team, or me directly, with all our contact information available on the [Alberta Mustangs Auto Club](http://AlbertaMustangsAutoClub.com) website.

August is here, so that means full bore show and activity season! From weekly drop in shows like Wild Wednesday, or Donny's A+W on Fridays, to a whole slew of available shows each weekend. Keep your calendar free for our Poker Run that will be happening Aug 8 in lieu of our monthly brunch. Emails were sent out last Saturday and will be \$20 per car. Picnic lunch is included, but you must show up at the meeting place to find out the destination! Please RSVP to amacnews@shaw.ca so an accurate count of how much food will be required! Driving distance will be approx. 188 km, and the best poker hand wins!

Continued...

The Thomson Tribune continued...

The following weekend is jammed packed with our fellow Ford Blue club, The Calgary Thunderbird Club hosting their annual show and shine on Saturday August 15 at the Brae-side Community Centre in SW Calgary. Sunday finds us headed to a perennial favourite, the Okotoks Show and Shine being held in downtown Okotoks. This is one the best shows of the season and hosted by the Big Rock Auto Club, with several members of AMAC volunteering with parking and tasks throughout the day. Keep an eye on your emails for additional information, including meeting loca-

tions and times for the entourage to the show(s).

The following weekend is also jammed packed with two shows, both Saturday and Sunday. We will be once again headed to Carstairs for their 8th annual Show and Shine on Saturday, which includes not only the show, but a market and good small-town vibe. Sunday Aug 23rd is one of the days we have been looking forward to since last summer, and that is the 6th annual Hoods on Horton being held at Branch 285 of the Royal Canadian Legion or AMAC's home base and meeting location. This fundraising show is always a good time and jam packed of beautiful cars,

good food and incredible fun all being done for a worthy cause. Many of our AMAC executives are deeply involved with years organizational tasks and we are hoping for record attendance! Watch for additional details coming soon and hope you can all come out and join us!

So, by my count, that is 1 poker run and 4 big shows in the next 4 weeks, give or take. Yikes! I better get in the garage and get these cars cleaned up! Can we dare hope 91 octane fuel is not 210.9 cents per litre as it was last weekend? Lol

See you all out there folks!

Scott

AMAC Presidential

Our 2026 Presidential Show & Shine was a big success. Our new registration process took some getting used to, but we think it will be the way of the future! We had perfect weather and a great turnout!

A HUGE SHOUT OUT to all of our AMAC Volunteers and Club Sponsors! We could not do this show or any event without your help!

Congratulations!

Too many winners to show them all here, but congrats to those who took home awards! Special mention to Greg Rau for winning volunteer of the year (The Teddy), and to Gary Foster who took home the KIWI award!

THANKYOU! AMAC SPONSORS

Welcome to the AMAC sponsor page. We the Alberta Mustang Auto Club would like to wholeheartedly thank the organizations listed below for their ongoing support and sponsorship. Their assistance, donations, dedication, and professionalism throughout the "car season" and the rest of the year are a big part of our club's success.

Wright Restyling provides solutions to anything inside the door handles of any vehicle. We design and install Katzkin leather interiors with custom embroidered logos. We design, install and tune small to large audio systems. Integration to factory systems has become very important in today's tech rich vehicles. Our team is able to retain key factory systems, remove factory audio filters and provide a clean unfiltered baseline for audio upgrades. We can custom build sub boxes, consoles, door panels and speaker panels. With these services blended together, Wright Restyling can upgrade an entire interior with any of the desired comfort features available.

Feature upgrades available: Heated / cooled seats, remote starters, GPS tracking, laser and radar defence, interior lighting, blind spot, backup cameras, parking sensors, 3D printed custom panels, CNC aluminum and ACM.
